

ANNUAL REPORT 2015

NASSAU HUMANE SOCIETY

BRINGING PETS & PEOPLE TOGETHER

MISSION STATEMENT

Nassau Humane Society is dedicated to the humane treatment of all animals; to alleviating their suffering and neglect; to supporting the human-animal bond; and to fostering an environment in which people respect all living creatures.

HOW DO WE ACCOMPLISH OUR MISSION?

Nassau Humane Society built and supports the operations of the Chardonnay Animal Rescue Center on Airport Road. The Rescue Center is a no-kill operation, meaning no animal is euthanized unless it is too sick or injured to survive. The Rescue Center staff and volunteers provide shelter, food, medical care and, importantly, love and compassion for the homeless animals (1) brought in through the center's animal control function under its agreement with the City of Fernandina Beach, (2) surrendered by owners who cannot or will not take care of their pets anymore, and (3) transferred from other agencies. The Rescue Center also engages in community outreach, educates children about pet ownership, provides pet food to low-income families and makes low- or no-cost medical services available to low-income pet owners.

MORTGAGE LOAN ON CHARDONNAY ANIMAL RESCUE CENTER

The total cost of the Animal Rescue Center was approximately \$2.3 million. Through the generous donations of the Chardonnay Foundation, the city of Fernandina Beach and many, many individual supporters, all but \$579,850 was paid by the time we opened the Animal Rescue Center last fall. Our initial mortgage of \$579,850 has been reduced to \$490,278 as of September 30, 2015 as we continue to apply funds donated to pay the mortgage down and make prepayments out of available cash.

LOOKING FORWARD

We will continue to manage in a fiscally responsible manner while at the same time strive to help as many homeless animals as possible. To that end we have opened 22 more kennels, increased transfers from shelters that do not follow a no-kill policy and expanded community outreach and pet owner education efforts.

Thank you for your continuing support of our mission.

Dear Animal Lovers,

Over this past year Nassau Humane Society has made great progress in achieving its mission. We opened the Chardonnay Animal Rescue Center which is a state-of-the-art shelter for homeless dogs and cats. It was a record year for adoptions with 781 homeless animals adopted! Volunteer efforts at the Rescue Center, the Adoption Waggin', the Dog Park, Second Chance, fundraising events and dog walking exceeded 25,000 hours! We reduced our mortgage loan on the Rescue Center by almost \$90,000.

Our staff at the Center has done an outstanding job. Their dedication and compassion in their care of the animals and preparing them for adoption is boundless. They do everything they can to make life better for these homeless animals and that's what it all about.

In short it was a good year and we owe it to all to our dedicated staff, volunteers and donors. Without you, it couldn't happen.

Let's build on our success and make this year even better. With your help we can save even more homeless animals and find them loving homes.

Thank you for your support.
